

## PUPILS FROM BONNER PRIMARY SCHOOL KICK OFF A CHALLENGE LIKE NO OTHER TO SUPPORT SOCCER AID FOR UNICEF

On **Wednesday 20<sup>th</sup> June** pupils at **Bonner Primary School** will kick off their fundraising and join hundreds of schools across the country taking part in the *Soccer Aid Playground Challenge* to help Unicef keep children safe around the world.

The *Soccer Aid Playground Challenge* is a fun and active obstacle course to help raise vital funds to protect children in danger around the world. Pupils will bring in a small donation from home to wear their favourite football or sports kit for the day as they kick, bounce or carry a ball around the *Playground Challenge* obstacle course they've designed themselves.

The UK Government will match every £1 schools raise, doubling the difference children in the UK make to the lives of children around the world.

The money raise will support Unicef's vital work to save and change children's lives around the world.

As well as raising funds, pupils will learn about health, education and play for other children around the world, via a set of free, curriculum-linked online teaching resources.

For more information or to find out how you can get involved in the Soccer Aid Playground Challenge and access free resources visit: [unicef.uk/playground](https://www.unicef.uk/playground)
