

# Bonner Bulletin

**Thursday 28<sup>th</sup> February 2019** *Article 17 Every child has the right to reliable information from a variety of sources, and governments should encourage the media to provide information that children can understand.*

Dear Parents and Carers

I hope that you all had an enjoyable half term?

There are only five weeks until the end of this term. The children are working hard every day to make sure that they make lots of progress this term. Thank you for supporting your children with their learning.

Best wishes

Nicola Denton- Headteacher

## Going for Gold

On Tuesday 12<sup>th</sup> February we had assessors in school from UNICEF to see if we should hold the Gold status for our work on a Rights Respecting School. The assessors went into classrooms and spoke to lots of children, staff and parents. The assessors were really impressed with how well the children knew their rights and how they could link them to events locally and around the world. They were also impressed with how the work on our Rights goes across both sites, in everything that we do. We won't know for a few weeks if we have been successful so keep your fingers crossed. A huge thank you to everyone that took part, especially to Mr Larkin and Mr Kirkpatrick.

### I Can be project

This year we are participating in the 'I Can Be' project. 20 of our Year 3 and 4 children are getting the opportunity to visit inspirational women in their workplace. We will go on a total of 10 trips over the next two terms to broaden children's understanding of the wide career opportunities that they could have in the future. So far we have been lucky enough to meet; a journalist, medical researcher, fire fighter and mechanic!

### We need your wellies!

Do you have any old wellington boots in need of a good home? If so we would love you to donate them to Bonner Mile End. The children can use them when they are working with the chickens. All shapes and size wellies are needed so if you do have any that need a good home please donate them to the Main School Office on either site.

### World Book Day on Thursday 7th March.

It's not long now until World Book Day! During the week we will be running our book poster competition and children will be invited to dress up as their favourite book character and show their costumes in assembly.

In addition we will be running other book related activities and competitions and running a bookshop where children will be able to spend their £1 World Book Day voucher and swap books.

### Turn your engine off!

If you have to travel to collect your child by car then please make sure that you switch off the engine when parked. Leaving your engine on creates damaging emissions to be released and these are bad for the children's health and for the environment. The school has been part of a successful campaign against idling so please do not let all of that good work go to waste!
