Dear Parents and Carers

Welcome back to Bonner for the Summer term. I hope you all had nice a Spring break and ate lots of chocolate. We have had some new children and families join us this term so I would like extend a huge welcome from all of us to them.

Best wishes

Nicola Denton- Headteacher

Grandparents Day 2019

This was my first Grandparents Day and I cannot wait until my next! It was so lovely to see all of the children take the stage and perform in front of their parents and grandparents. The school halls were packed full of people and the singing and dancing was fantastic. A huge thank you to all of the staff and Ms King, who rehearsed the acts to create the final result. There are some very talented children at Bonner!

Just a reminder that the school will be closed on **Monday 6th May 2019** for the May Bank holiday.

The Daily Mile

Bonner Primary School is now part of The Daily Mile movement. The campaign has one aim — to improve the mental and physical health of UK children. The Daily Mile makes children fitter, healthier, happier and has a positive impact on their behaviour and concentration levels. It is simple and effective, enabling every child to be active every day.

UK children are now the most overweight in Europe, and activity levels are worryingly low. Combine this with record levels of mental health issues in children and young people and it is clear that, as the adults responsible for the health of our nation's children, we must act now. Please support your child to participate in The Daily Mile by ensuring that they **have a pair of trainers in school every day**.

New Mosaic in Mile End

Before the Spring break, children from years 3, 4 and 5 and the school councillors worked with Maud, the artist, to create a beautiful mosaic that is now on display outside the main entrance on Ropery Street. Children from year 1 to year 6 completed designs, taking inspiration from the nature and wildlife in Tower Hamlets Cemetery Park which were used in the mosaics. Please come and admire this beautiful new artwork created by the children. We are hoping to run the project at Bethnal Green in the future.
